An Open Letter to All Team Captains

COURT MATCH FEES

My broadcast email of 25th September stated the Court Match Fees due as £15 for Racketball and £25 for Squash Matches.

What it did not say was when and how these should be paid.

It would be a very great help to our Treasurer Laura if Team Captains could agree with Laura whether their match fees would be paid each week or month or even at the end of the Season.

Payments may be made by card machine stating which team and that it is a match fees.

There must be transparency and clear accountability – after all we are spending Club Members money.

LIGHT METER OVERRIDE KEYS

On the subject of transparency and clear accountability and in the face of rising energy and other costs I am obliged to remind all Team Captains that light meter override keys are provided and intended for Match Play only.

Their intended use does **NOT** include practice sessions and group mix-ins, however, the override key **MAY** be used **PROVIDED** an accurately accounted and identified payment is made on the card machine.

Graham S. Jackson.
Chairman.
