## PARKING

The more observant of you will notice new advisory notices about parking outside the normal parking areas of the Rugby Club; this is as a direct response by the Rugby Club in attempting to address concerns and complaints from the farmers and the community of the Sundorne settled estate.

Rugby Club Landlord has again asked me to remind all of our Club Members that they must not park in the vicinity of those new signs. In order to assist you all I have had a map prepared showing where you MAY NOT park.

PLEASE remember we are allowed to use any part of the Rugby Club Car parks; the only proviso and absolutely fair condition is that we may open and close the main car park entrance gates at any time BUT if we are the last car out it is incumbent upon us to LOCK the for the gate.

THE CODE IS 2008 USE IT.
